Thank you for sponsoring a tree this year. There will be 40+ trees, allocated on a first-come-first-served basis, and each will cost £35 to sponsor and decorate. There will be a competition for adults and children's trees this year. The children's trees will be inside the church, the adult's trees outside.

If you would like to sponsor a tree but not decorate it, please tick the relevant box below.

Some of the trees are bigger this year, so please feel free to bring some lights of your own. We will supply one set of lights, but these may not be enough for your tree. Please **do not** use glass baubles. These are likely to blow off the outside trees and scatter broken glass onto the church path.

Please come and decorate your tree on Friday 8th December between 10.00am and 4.00pm. There will be an opening event between 5.00pm – 6.00pm that day, at which all the lights will be switched on, along with free food and drink. We will also be holding a Christmas Quiz on Saturday 9th December. More information will follow about both events.

Please take your decorations down on 28 December. Any decorations still up at the end of the day will be disposed of. If this is not possible, please let us know, and we can help.
